

VGAN

```
graph LR; VGAN --- A[foreground 和 background 分离]; VGAN --- B[用mask将foreground 和 background结合，见论文示意图]; VGAN --- C[用了3D卷积];
```

A mind map diagram with a central green node labeled 'VGAN'. Three curved lines branch out from this central node to three separate dark green rectangular nodes on the right. The top node contains the text 'foreground 和 background 分离', the middle node contains '用mask将foreground 和 background结合，见论文示意图', and the bottom node contains '用了3D卷积'.

foreground 和 background 分离

用mask将foreground 和 background结合，见论文示意图

用了3D卷积
